

## Individual Classroom News

**Bunny Room:** “Let’s Get Wild” is our theme for July. We are going to be all about the zoo and the animals that live there. We will be focusing on crawling, scooting, standing and walking. We will also practice pivoting to reach toys and grasp them. We are looking forward to water play, neighborhood walks and playing with boxes.

Happy Birthday to Isabelle 7/11 and Alaina 7/26

**Ladybug Room:** Our theme for July is “Red, White and You”. We are going to have each child focus on themselves by looking into mirrors to see themselves and their friends. We will point to and verbalize body parts. We will look at family pictures and verbalize family members names. We are looking forward to continued water play and neighborhood stroller rides. We would like to remind you to please put icepacks into your child’s lunch box.

**Turtle Room:** Our themes for the month are “Happy Fourth”, “The Deep Blue Ocean”, and “We’re off to the Fair”. We will cover the letter W, the number 6, the colors red, white & blue, and the star shape. We will continue to work on self-help skills and independence along with sharing and taking turns. Please allow your child to wear red, white & blue during the week of the Fourth. A reminder to parents: we have show-n-tell on Wednesdays and book day on Thursdays. We will have bike days on Thursday 7/11 and Tuesday 7/23

Happy Birthday to Maverick 7/1 and Miss Emma 7/20

**Bumblebee Room:** Our themes will revolve around Independence Day, Camping, Summer Treats, and a Hawaiian Luau. We will work on the letters T, I, U & C. Our numbers are 5-10. We will review the colors orange, green, & gray and explore the rhombus and octagon shapes. We will continue to practice independence, manners, and using our words. We are especially looking forward to our class lemonade stand, our luau party, and napping in a tent. We have bike days planned on Thursday 7/11 and Tuesday 7/23.

Happy Birthday to Owen 7/11 and Colton 7/20

**Giraffe Room:** Our themes for the month of July will revolve around Sports, Beaches, and Oceans. We will explore all sports and learn what it means to be a team player. We will learn about beach life and ocean habitats. Tasks we are going to work on are dressing and undressing fully independently for splash days and carrying our own science notebooks on our nature walks.

Parent reminders: Monday: Nature Walk. Tuesday: Splash Day. Wednesday: Library. Thursday: Fun Day  
We have 2 bike days this month: Thursday, 7/11 and Tuesday, 7/23.

Classroom needs: Bunny pellets or timothy hay.
