

Little Folks School House January 2025 Newsletter

Happy New Year!

We would like to thank everyone for the gifts we received at Christmastime and hope that you all enjoyed your Holidays. We would also like to thank you for your patience and understanding while we have been, and continue to be short-staffed.

Reminder: All updated enrollment forms, new contracts, and registration fees are due. If you haven't returned them yet, please do so. Tuition increases go into effect January 6th. SmartCare billing will reflect the increase.

Reminder: Each child is awarded vacation days in January. The number of days is equal to the number of days your child attends in one week. Vacation days may also be used when your child is sick. You just need to let the office know when you want to apply a vacation day.

Each class will be working creatively with the children in hopes of keeping cabin fever away. We will continue to go outside daily as long as the temperature doesn't fall below 20 degrees so, please remember to send in warm snow gear every day. We have also noticed that several children have the same exact snowpants or boots. We would like to ask that you be sure to label all of your child's outerwear. If a sharpie won't work, initials in nail polish is an option.

You will notice a "mitten Tree" in the outer hallway. This is sponsored by the Washington County Association for Home and Community Education. Many volunteers have spent numerous hours knitting mittens and hats for children. If your child or someone you know is in need, please help yourself.

Inclement Weather

With winter among us, we wanted to remind you of our closing information. We may close for severe snowstorms, ice storms or extreme cold weather. Please watch our Facebook page or channels Fox6, TMJ4 or WISN12 for closing information.
